ABOUT

I'm a dedicated and highly motivated web professional with almost a decade of experience. I enjoy designing beautiful and functional user interfaces while also writing clean and efficient front-end code.

I believe good design is always in service of the user and it's my job to ensure that a project achieves both its business objectives and the needs of its users above all else.

EXPERIENCE

Force Marketing

Senior Digital Designer

2015 - 2017

Atlanta, Georgia

- ▶ Produced high-quality websites and applications, including user interfaces, sitemaps, wireframes and visual designs based on requirements.
- ▶ Developed mobile-friendly and responsive HTML products utilizing HTML, CSS and Javascript.
- ▶ Produced designs for interactive marketing materials, landing pages, e-mails campaigns and digital advertisements.
- ▶ Collaborated with various internal and external teams such as PHP and .Net developers as well as SEM and SEO teams.

Brightfire

Web Designer

2012 - 2015

Lawrenceville, Ga

- ▶ Worked directly with Live Nation and managed creative assets for multiple markets; specifically Live Nation Atlanta, Florida and the national market.
- ▶ Daily responsibilities included the creation of websites, applications, digital advertisements as well as print items such as posters, handbills, billboards and large format printed items.

RSVPATL

Graphic Designer

2010 - 2012

Atlanta, Ga

- ▶ Produced quality work in a fast-paced environment, meeting deadlines and client expectations for creativity and accuracy.
- ▶ Created branding for multiple clients including web sites, logo design, brochures, postcards, billboards and business cards.
- ▶ Helped clients revitalize their online presence using content management systems, event management software, social media platforms and digital advertising.
